## About

The lifestyle management series is simply about making your life a bit more convenient.

kotoca as part of the series is here to help you organize your notes, memos, memories and most importantly your ideas.

kotoca is a simple, easy to use notebook manager application, perfect for busy and creative people. Ideas may strike in any moment and could come in many forms. With kotoca it's just a few taps to sketch those ideas. Attach your photos, add locations, deadlines, expenses or simply whatever you like. Organize your ideas into your own categories, create your own ecosystem and improve your productivity. kotoca is fully customizable to your needs, enjoy the creative freedom in your hands.
